In general, The Conference provides an opportunity to establish relationships and raise exhibitors/sponsors company profile in the region.

Taking sponsorship or an exhibition stand is the most targeted and cost effective way of reaching key industry decision makers.

With an audience of government, geothermal developers, investors and energy companies, ARGeo-C6 is the ideal platform for you to meet the right people face to face and create new business relationships that are vital in consolidating your business' position in the geothermal industry.

You will:

- Connect and gain access to key decision makers
- Meet new clients and reaffirm relationships with existing ones
- Understand the needs of potential clients and tailor your services to meet them
- Establish your company's position amongst industry movers and shakers
- Benchmark your strategy with other major solution providers;
- Make the right connections to ensure the future success of your business

Take early advantage and maximize your exposure. Don't let your competitors leave you behind: Varying levels of sponsorship are available to cater for your individual needs and marketing budgets.
